

1. Okay, first you need to go where you see the bucket that looks like there is paint coming out of it.
2. Click on the bottom of it and a colored box will come up.
3. Click on it and go to the blue spot on the left of it and go to the code #000099 and click on it.
4. Click on the the blank paper and it will turn blue.
5. Go to the shape menu and click on it. The box will turn up. That you will see shapes and move towards it and it will give you a lot of shapes and click on the circle and make sure you have it white fill color and line color and one big one medium and small one.
6. Go to the hand and click on it and move the big one to the bottom of the page and the medium one on top of it and the small one on top.
7. Go to the pencil and click on it and there is the same color box and change your color go to the code #0000ff and click on it. And make one mountain that takes up most of the page and draw a couple of other ones.
8. Go to get a other circle and make sure it is blue that has a code that is #0033ff and make it about the same size as the big circle and then get the hand and move it to the middle of the big circle.
9. Go to the box that you see the smily face click on it and go to where it sides stamps and find a hart go to the color box and make it black.
10. And make a line of harts in the mite circle.
11. Go to the pencil and then go to the color box and go get the code #009900 and click on it.
12. And make a shirt that is open.
13. And then you go to the color box and change the color code #663300. And change the line size to 9.
14. And then make sticks as arms like he is holding something.
15. And then you need to go back to the stamp box and get a grenade and make sure you have the fill color black and stamp size 2.
16. And get a badge and change the color to code #cc0000 and make sure you have the stamp size 2 and put it by the harts and go to the color box and change it to the color code #ffff33 and make one right beside it and go back to the color box and change it to color code #0000ff and put it right beside the other one.
17. Get the pencil and turn the color to black and then go to the line size to 4 and draw a line on top of the badges.
18. And change the line size to 8 and make a smile.
19. Go to the stamp eye and make sure it is black, using stamp size #2. Now put two eye stamps on the snowman's head.
20. Now make a green baseball cap, using the same color as the vest, and place it on the snowman's head.

21. Th..th..th..that's all folks!
